&
CBSE XI/XII
Age 15-18

Grooming Global Citizens through a systematic Progress
through Life-Skills and Community Interaction.

DCIS
Kindergarten
Programme
Age 3-5

We understand children's early learning experiences have a profound effect on their development. These early interactions directly affect the way connections are made in the brain.

At DCIS we facilitate the early learning and behaviour of children through acquiring knowledge and skills that are crucial for future well-being of them.

International
Primary Programme
Age 6-11
&
Cambridge
Secondary & CBSE
Age 12-14

The Primary Programme at DCIS is a perfect blend of Cambridge Primary Programme along with National Curriculum Framework of India.

- ☑ **Lab- Class**, the most innovative concept of Subject Labs to make learning experiential, engaging and fun.
- ☑ **A step by step progress** of each year in Primary with International best practices in teaching and learning.
- ☑ Focuses on developing knowledge and skills in core subjects which form an excellent foundation for future study.
- ☑ Math, Science and English form International Curriculum, Social science, Second and Third languages form National curriculum.
- ☑ The Middle school curriculum at DCIS is an excellent preparation for High school with preference of International (CIE) and National Board (CBSE).
